My dear Sir:-

I have a grass from  
Mr. Egger ticketed *Panicum capillare*  
var. minimum, Engel. I would be  
glad to know if the characters of this  
"var." have been published, except in  
connection with Mr. Egger's distributed  
sets of plants, & if so, when & where.  
Have you any *Opis*, with plates, of  
your descriptions of *Monanthochloë*  
& *Buchloë*?

Yours very truly
